

RETRO ARCADES

Game On!

These totally awesome multi-cade machines play tons of the most popular classic arcade games from the 80s and 90s including: Ms. Pac Man, Galaga, Dig Dug, Street Fighter, Mortal Kombat, Donkey Kong, Joust, Metal Slug, Space Invaders, Frogger, Centipede, Q-Bert, TMNT, Tron, Raiden, The Simpsons, Tekken, Alien vs. Predator, and many more!

Custom-designed especially for events, these unique arcades feature big bright 55" screens mounted on LED-lit aluminum trusses, rear up-lighting, LED trim lighting, and sturdy cup holders for your thirsty guests.

All of the various lighting is RGB customizable and can be easily changed via remote control to perfectly match the color scheme of your event.

The arcade machines come with a full-time attendant to help your guests pick and play games. All the fun and excitement of the 80s and 90s, with no quarters needed!
